														other support might be needed.  The APPPC Secretariat would be responsible for sending questionnaire to the member countries and ensuring that the responses and required information are sent back to the hosting country. The objective is to get a clearer idea of the scope of the activity and what have to be done in the region.
3.	Continued work on Regional Implementation Guidance (RIG) on seeds with chilli as annex	V	V							dd/mm/yy	dd/mm/yy			By electronic means. Specifications will be submitted to SC chair for consultation by SC and then to member countries by xxxxxx.  Specification will be consulted and approved by SC by xxxxx.  The APPPC Secretariat will send an email to extend nominations for the Expert Working Group and also request for supporting information (due xxxxxxx).  SC Chair will send an email to the targeted member countries, Japan and APSA to make nominations.  In case APSA has not been approached or if APSA could not provide an observer, New Zealand will contact the International Seed Federation (ISF) Seed Health Manager for their inputs.  The work group is expected to be established by xxxxx, according to the draft standard setting procedure and the drafting work will start.

No.	Activity	Year (Meeting modes: P ==> Physical; V ==> Virtual; and H ==> Hybrid)								Dates		Leading & hosting		Remarks
		Year 2022				Year 2023								
		1st Quarter	2nd quarter	3rd quarter	4th quarter	1st Quarter	2nd quarter	3rd quarter	4th quarter	From	to	Led by	Hosted by	
4.	SC meeting		V?							dd/mm/yy	dd/mm/yy	APPPCC Secrerariat		<p>Guidelines, criteria and draft RSPM.</p> <p>Development of regional guidance and revised standard setting procedure. The procedure could be sent out to member countries, giving four weeks for response. If no objection with justification is received, the procedure could be considered as approved. It does not have to be endorsed by the session.</p> <p>Seed guidance will be included in the agenda of 32nd Session. Secretariat will update the list of the SC members and send it to member countries.</p>
5.	Meeting of APPPC country officials prior to CPM 16	V?								dd/mm/yy	dd/mm/yy	APPPCC Secrerariat		CPM-16 may be held virtually early April. The APPPC pre-meeting should be held the previous week of CPM-16.
